

Analytical Chemistry Symposium

Friday, April 26, 2024
1:30 - 5:30 PM, BRWN 4102

“Celebration of the Career of Dennis Evans”

The analytical faculty is organizing a half-day symposium on Friday, April 26 to celebrate the scientific career of Dennis Evans and his contributions to the analytical division at Purdue University. Presentations by the analytical faculty are scheduled for 1:30-5:30 pm and are open to all. We encourage you to attend this event. Dennis joined Purdue University as a Research Professor in 2013 and was an active member of the analytical division. This symposium will be a celebration of Dennis’s contributions to analytical chemistry and the department.

Schedule of Presenters:

Time	Name
1:30-1:35	Julia Laskin – overview of the program
1:35-1:50	Pete Kissinger (opening remarks)
1:50-2:10	Gaurav Chopra
